**Charlotte Pipe And Foundry To Host Sales Promotion Winners At UAW-GM Quality 500
At Lowe's Motor Speedway**

CHARLOTTE , NC - October 13, 2004 - For sixty plumbing contractors from Raleigh and Myrtle Beach , NASCAR's Chase for the Nextel Cup will become a little more personal. Winners of a Charlotte Pipe and Foundry plastic pipe and fittings sales promotion, these lucky contractors will be on hand at the UAW-GM Quality 500 at Lowe's Motor Speedway on October 16 to cheer their favorite drivers to the winner's circle.

The promotion, which ran from April through August, offered plumbing contractors the opportunity to earn chances to win a trip to Charlotte for the race weekend. In addition to attending the UAW-GM Quality 500, the group also will attend a dinner and reception, including an appearance by Martha Earnhardt, mother of the late Dale Earnhardt; attend the SpongeBob SquarePants Movie 300 race on Friday; and learn how to be part of a NASCAR pit crew at 5 Off 5 On Racing.

Charlotte Pipe is the only manufacturer that offers a *system* of cast iron, PVC, CPVC, ABS and FlowGuard ® Gold T pipe and fittings for residential and commercial plumbing systems and industrial applications. Charlotte manufactures ABS, CPVC and PVC pipe to the middle of the spec range as defined by ASTM standards. When combined with Charlotte fittings, the result is a TrueFit T system that ensures a tight, reliable and consistent fit every time, which saves on installation time and results in fewer callbacks for the plumber.
