Charlotte Pipe And Foundry Cast Iron Technical Manual

CHARLOTTE, NC - January 17, 2005- Learn more about Charlotte Pipe and Foundry's cast iron product offering in this newly updated Cast Iron Technical and Installation Manual. In addition to detailed installation data, this manual provides product fact sheets, information on testing cast iron systems, and a list of the advantages to using cast iron pipe and fittings.

Charlotte Pipe and Foundry offers a full line of Service-Weight and Extra-Heavy cast iron soil pipe and fittings from 2" - 15", and Double-Hub pipe from 2"-6". We also manufacture a full line of No-Hub (hubless) pipe and fittings, 1½"- 15". All of our products are proudly made in the USA and meet or exceed all applicable ASTM and CISPI standards.
