Charlotte Pipe And Foundry Plastics Technical Manual

CHARLOTTE, NC - January 17, 2005 - Learn more about Charlotte Pipe and Foundry's plastic DWV product offering in this newly updated Plastics Technical and Installation Manual. This manual also features product specifications, fluid flow properties, quick reference fact sheets and more. As the leading full-line manufacturer of PVC, CPVC, ABS and FlowGuard Gold ® CPVC-CTS pipe and fittings, Charlotte Pipe and Foundry is uniquely positioned to meet all your plastic piping system requirements. And, our unique Charlotte Pipe TrueFit ® System means we manufacture all of our plastic pipe and fittings to the middle of the spec to create a system that fits together better for easier installations, fewer callbacks and a lifetime of trouble-free service.
