**Charlotte Pipe And Foundry Goes Live with Redesigned Website
at www.charlottepipe.com**

CHARLOTTE, NC - June 1, 2005 - Charlotte Pipe and Foundry has launched its redesigned web site at www.charlottepipe.com. Our new home page proudly states, ***Producing Pipe and Fittings since 1901, Charlotte Pipe is a leader in the production of cast iron and plastic pipe and fittings for plumbing and industrial systems***. The redesigned site provides customers with easier access to product information relating to our six product systems:

- PVC/ABS DWV Pipe and Fittings Systems
- PVC/CPVC Schedule 40/80 Pipe and Fittings Systems
- Cast Iron DWV Pipe and Fittings System
- FlowGuard Gold® Copper Tube Size CPVC Pipe and Fittings System
- ChemDrainT Pipe and Fittings System
- Commercial Castings (non-plumbing)

The new site puts product information at customers' fingertips, including:

- List prices
- Technical and installation data
- Drawings
- Material safety data sheets
- Submittal data and specifications.

Customers will appreciate the ease of getting the help they need when they need it. Every page of the redesigned [charlottepipe.com](http://www.charlottepipe.com) prominently lists our telephone numbers in the upper right corner. A *Contact Us* form is also made available for customers who want to email their concerns or questions to our professional staff. Moreover, the *Customer Service* link at the top of every page leads to sales contact information for each of our business units. *Technical Support* is just a click away, as well, from a link at the top of every page.

Charlotte Pipe and Foundry is the only manufacturer that offers a *system* of ABS, PVC, CPVC, cast iron, FlowGuard Gold®, and ChemDrainT pipe and fittings for residential and commercial plumbing systems and industrial applications. The nation's leading maker of cast iron and plastic pipe and fittings, Charlotte Pipe and Foundry offers the industry's broadest product offering of standard and specialty DWV products .

Charlotte Pipe and Foundry is headquartered in Charlotte , NC , and has six plant locations across the United States . Combining modern technology with a century of craftsmanship and experience, Charlotte Pipe and Foundry has a proud legacy of commitment to the industry and its customers. The company is guided by the philosophy of its founder - produce the best product possible and provide the best service for the customer.
